

WH Bond & Sons Ltd
t/a Bond Timber

Trerulefoot, Saltash, Cornwall, PL12 5BW

The timber treatment operations of the named company (above) have been audited against the

WPA Benchmark

Quality Approval Scheme

requirements for **APPROVED TREATER**.

This company is certified for the treatment of wood for:

Use Classes 3 and 4

Under the terms of the Scheme, the following wood components treated by the company are **APPROVED PRODUCT** certified:

Pine, larch and Douglas fir fence posts preservative treated with Tanalith E8000 in accordance with **BS8417 for Use Class 4** (ground contact) applications desired service life of **15 yrs.**

Pine fence posts preservative treated with Tanalith E8000 in accordance with **BS8417 for Use Class 4** (ground contact) applications desired service life of **30 yrs.**

Clarification of the scope of this certificate and the WPA Benchmark Quality Approval Scheme is available from the Wood Protection Association.

The Scheme does not confirm compliance of the preservative used with British Standard or other specifications - that is the responsibility of the preservative manufacturer.
